Ağırlık	260 Kg
Güç	220V 50/60Hz

Why Choose TESTEX?

TESTEX (TESTEX INSTRUMENT LTD) is a **national high-tech enterprise** and **SGS ISO certification** company that develops and manufactures testing instruments for textile laboratories. 90% of the TESTEX brand instruments are sold to Europe, America, and Asia. Customers include NASA, NASA, National laboratories such as the Naval Academy and university research institutes, as well as international inspection agencies such as ITS, SGS, etc., and automotive brands (interior textiles) such as Land Rover, and apparel brands NIKE, Under Armour, Uniqlo, etc.

There are more than 100 models of testing equipment developed and manufactured by TESTEX, covering the testing of the performance of various types of textiles and their properties, as well as testing equipment for epidemic prevention materials such as masks and protective clothing.

TESTEX has rich experience in the R&D, manufacturing, sales, after-sales training of equipment, and always takes the core value of “We endeavor to achieve our customers’ success, then achieve our staffs’ value, thus achieve our shareholders’ goals.”

Mask Making Machine, Developed, Tested, Used by Ourselves

Quality and Service are the bottom line of us, quality concerns has helped us won our reputation in the textile testing instrument market since our foudation(2010).

When the epidemic is over, we may not produce the mask making machine again, but we hope that all customers who have choosed to buy mask machines from us, can know TESTEX's high demand for product quality, and our pursuit of quality has never changed.
